Painting (Brownie)

We'll look at famous (and not so famous) artworks to get inspired. Then we'll paint the real world with watercolors. After that we will paint a mood without brushes onto a small canvas. We'll end the class by creating a mural together!

\$14 per girl

Potter (Brownie)

We'll take a look at various ceramics for inspiration, then we'll create key chain or necklace with Sculpey clay. While that's baked in a toaster oven, we'll create pinch pots from air dry clay. Once cooled, we'll add color and shine to our artworks.

\$14 per girl

Drawing (Junior)

We'll experiment with drawing pencils, colored pencils, and other drawing materials. Then we'll create a still life. We'll look at and talk about logos and create some of our own! Finally we'll combine what we've learned to create a masterpiece!

\$11 per girl

Jeweler (Junior)

We'll explore a jeweler's tools and then we'll use those tools to create an upcycled, sparkly metal bracelet! We will also create a necklace (or bracelet) inspired by Native American regalia with colorful beads.

\$12 per girl

Comic Artist (Cadette)

We'll take a look at Manga-style comic books and graphic novels for inspiration. Then we'll create our own mini-comic book using all sorts of artistic media (pencils, watercolors, markers, etc.)

\$11 per girl

Book Artist (Cadette)

We'll explore the art of creating handmade books and then we'll make our own! We'll start by marbling a cover, adding blank pages and decor-- then we'll sew it together just like a book binder!

\$11 per girl

Collage Artist (Senior)

We'll use photographs, scrapbook paper, and magazines to create a collage on a 9x12" canvas that you can hang on your wall! Please bring images/ paper materials to include in your collage.

Textile Artist (Senior)

We'll look at different soft sculpture artworks for inspiration, then we'll choose materials to create one to give to a friend! After that we'll use those stitching techniques we just learned to create a small felt wallet or smartphone case!
